## YOUR VOICE COUNTS! 1999 ACQUISITION REFORM QUESTIONNAIRE IS OPEN FOR YOUR INPUT THROUGH 16 JULY 1999

### *The SURVEY SAYS....*

**W**ith no pun intended, the Navy Acquisition Reform Team frequently refers to the phrase “the survey says” from the popular TV game show, the *Family Feud*. The team consistently uses the information you have provided to us over the past few years. You are the voice that we want to hear. Your ideas and thoughts help us create the focus and strategy for initiatives and tools developed to support you, the DoN acquisition workforce. The DoN Acquisition Reform Office, as a result of your survey comments, has:

- Created the customer operations strategy that will result in “Program Assist Visits”. (See our website for upcoming details on this exciting new initiative.)
- Created “Shaping the Landscape” approach (A concerted effort to reach out to external organizations to Remove Barriers; Improve Processes; Change Culture; Encourage Collaboration)
- Created Navy Best Practices program
- Provided the impetus for the new Integrated Program Management Tool currently under development. (Watch our website for details.)
- Created new ideas for the AR web site, RoadShows, and overall communications strategy (More of the things you said you wanted to know.)

The power of your suggestion is significant in determining the course of action the Acquisition Reform Office takes in the upcoming year. Please invest five minutes of your time. Your rate of return will be significant.

Please fill out the questionnaire and make your voice heard.  
We have so much to learn from you.
